

Making sure that your customers dine with you everytime!

...with your own personalised, company branded emarketing campaigns!

Mine Digital is offering restaurant proprietors across the UK the chance to email your customers and prospects your latest dining offers on a regular basis. This offer based email service will be a fully branded, graphic sales pitch to everyone on your contact list letting them know what great offers that you have for them from Christmas Packages to Pre Theatre Options; Valentine romantic Dinners to Half Price Dining!

What is this new emarketing service?

Your chance to email your latest offers to your customers every month, every week or as often as you like!

What is included in our service?

Graphic branded email templates, your latest dining offers, links back to your website, online marketing advice, campaign reporting and hot prospect lists!

What do I do?

Sign up to one of our packages below, send us your offers for each campaign, upload your customer email addresses, approve your email and we'll do the rest including campaign analysis and reporting!

Mine Digital is a leading online marketing agency with a range of global and national clients including Thames, Mactaggart & Mickel & Fife Council.

5 reasons why you should be emailing offers to your customers

- Online is the number one source for eating out
- Your customers want to receive the latest dining offers
- Your competitors are currently sending offers to your customers
- It will raise your business profile
- It is the most cost effective way to keep in touch with your customers
